This communication is responsive to the Notice of Non-Compliant Amendment dated December 11, 2009. In the Notice of Non-Compliant Amendment, the Examiner stated that the Reply filed on September 8, 2009 was not fully responsive to the prior Office Action because the “remarks do not point out why claim 20 is patentable in view of the prior art record.” Applicants respectfully submit the previous response as filed, in its entirety, and additionally submit remarks pertaining to the patentability of claim 20 over the cited prior art references. As such, Applicants respectfully submit that this Reply is fully responsive to the prior Office Action.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this document.

Remarks/Arguments begin on page 6 of this document.
